

engine/src/core/application.h

```
graph BT; A[engine/src/core/application.c] --> B[engine/src/core/application.h]; C[testbed/src/main.c] --> B;
```

A diagram illustrating file dependencies. At the top is a gray box containing the header file path 'engine/src/core/application.h'. Below it are two white boxes: 'engine/src/core/application.c' on the left and 'testbed/src/main.c' on the right. Two blue arrows point from the bottom of each white box to the bottom of the gray box, indicating that both source files include the header file.

engine/src/core/application.c

testbed/src/main.c
